44. LOGNOTE - Executive and Planning Staff, 24 March 1980

[] POSITIONS FOR MUSLIM WORLD COVERAGE. Called [] Central Cover Staff, to pass along the information that OMB had released the funds for our Muslim World coverage package which includes 5 MODE Category I (U.S.) and 20 Category III (Foreign National) positions. Had informed CCS of the planned additions on 7 March. Also discussed the draft letter [] forwarded to the DDCI. [] requested copies of the draft cables to the various ambassadors, included in the package [] Have forwarded these to CCS. As before, [] sees no problems with the Foreign National positions. He noted that the 5 U.S. positions will most probably have to come from the Agency's MODE Category I total and, for the first time, indicated that this might not be too difficult. *What?*
